

Create PDF from your Word Document

To create a PDF document of you Word file follow the instructions below

Click on the File Menu

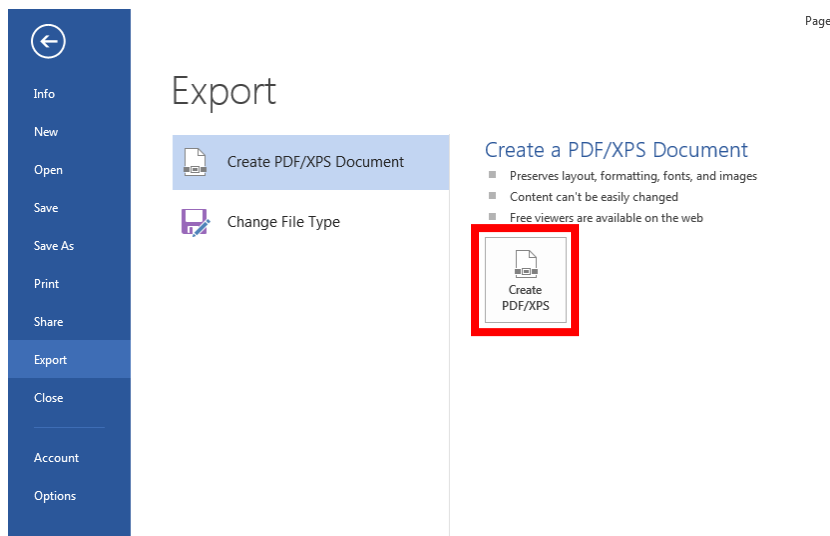

Click on Export

If you require further assistance, help is available from the IT Service Desk
in the Old Library Cluster and Robinson Library cluster Level 2

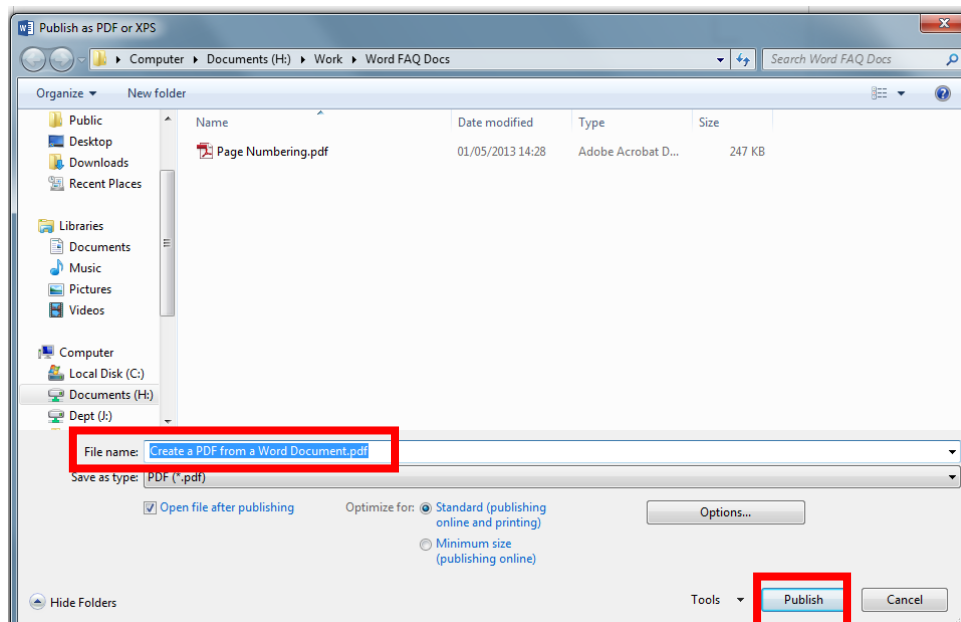

Opening times at <http://www.ncl.ac.uk/itservice/support/clusteritservicedesks/openinghours/>

Click on Create PDF/XPS

Type in a file name and Click on Publish

Word will now convert to PDF keeping your original word file and create a PDF copy in the same folder as the original document

If you require further assistance, help is available from the IT Service Desk
in the Old Library Cluster and Robinson Library cluster Level 2
